

March 25, April 7, and 13, 2021 Stewardship meetings

Present: Karen Carmany, Nancy Bubbenzer, Crystal Shanley, Lori Babbey and Pastor Amy Gopp

We met to discuss ideas for the April 18 worship service. Our overall theme for the year is to present stewardship as a concept that looks at how we steward all of our resources – our bodies, our families, our property, our earth and our monetary resources. The service will connect stewardship of all our resources, including Stewardship of Creation.

We used “A Matter of Stewardship, Eco-Justice in Biblical Perspective” by Rev. Cassandra Carkuff Williams, Ed.D., as a resource. Some of the items we agreed to consider including are:

- *Page 9 – The readings, one from John Calvin and the other from Fyodor Dostoyevski
- *Page 10 – Stewardship Defined – can this definition be woven into the Offertory?
- *The “Butterfly” video.

Pastor Amy created a Worship Outline and shared with us via Google Docs.....A learning experience for all committee members?!

There will be no committee meeting in May
