

Stewardship Ministry Minutes – September/October 20, 2021

Our ministry has been very busy researching/developing materials for our 2021 generosity campaign “Rooted In Love” which launches on Sunday, October 24 and ends with dedication of our gifts on Sunday, November 14. The theme comes to us from Psalm 1:3a “They are like trees planted by streams of water, which yield their fruit in its season”. The congregation will hear weekly member testimonials addressing the following questions:

- Where do you see the church changing lives?
- How has the love of our church changed your life?
- What “roots” you in our congregation?
- Where do you see our church make a difference?
- Why are you making a personal commitment to pledge to the church?

Stewardship packets contain a pledge card and a letter containing comprehensive information received from each of our Kent UCC Ministries reporting how they engaged in the mission work of Kent UCC(Micah 6:8)during the past year and their plans for 2022. Packets will be available in the narthex on Sunday, October 24 after our church service ends.

It has been a challenging year for the members of our committee. I want to thank everyone for their diligence, understanding, hard work, and patience. A big thank you to Pastor Amy as well.

On another note: Members of Stewardship, Finance, and Property ministries have teamed together to count the offering after church. A duty schedule through December 2021 is completed.
